Selectmen's Meeting

MARCH 4, 1986 - by VIRGINIA ARRAL

DEPARTMENT HEADS DIFFER WITH PERSONNEL BOARD

In response to the frustrations described at last week's Board of Selectmen's meeting by department heads, the board agreed to invite the Personnel Board to attend next week's meeting to discuss their department gripes. Selectman James F. Huntoon told the department heads, "you owe it to the Personnel Board to put your specific complaints in writing so that they can be addressed one at a time".

Water/Sewer Commissioner William "Nick" Nicholson was the first to speak and outlined the frustration in dealing with the Personnel Board. "We felt the best way was to come in a group to air our feelings", Nick said. The other department heads attending were Town Clerk Lois K. Ennis, Board of Assessor Chairman Bruce E. Rocha, Town Accountant Betty Sears, Recreation Director Barry Haskell, Treasurer/Tax Collector Kathleen Briggs and Charles A. Morgan and Ralph E. Wordell, Water Commissioners.

Nick said "we feel some positions should be paid higher salaries considering their responsibilities". Morgan noted this problem has been going on for 10 to 12 years but has recently gotten worse. Morgan said "we felt the person working in the Water Department was underpaid to begin with. It's like talking to deaf ears", Morgan said, in referring to any response from the Personnel Board.

Among the complaints outlined are no response to our letters; we feel they truly don't listen; they don't understand the job demands and they take action without evaluation of jobs. Barry Haskell said, in referring to part-time people in his department, that he has written at least four letters to the Personnel Board and has received no response.

Town Clerk Ennis voiced her frustrations saying, "I am presently advertising for a clerk in my office and I'm almost embarassed to tell prospective applicants the salary is only $3.85 per hour. I can't seem to get the Personnel Board to understand a clerk in my office is a responsible job. The town is growing and the work load is increasing in all town departments. We have to make them (the Personnel Board) aware of the situation; we can't keep sweeping it under the rug."

Rocha explained that in an attempt to meet face-to-face with the Personnel Board, he had a 10-minute meeting at which only two members were present and "we were interrupted about seven times".

Huntoon explained it is difficult to find volunteers for this job on the Personnel Board, but volunteers should give it their best quality work. "Even though the board is more or less autonomous once they are appointed there is very little supervision on our part unless, like now, we have to deal with your specific complaints."

Selectmen also agreed they would consider approaching the Massachusetts Municipal Association who has offered to conduct a study to evaluate job categories and salaries. Nick added that evaluation study results would be a year away. "Is there anything we can do before that?" he asked. Huntoon replied saying, "try to contact the Personnel Board again and

In other business, Selectmen:

MET WITH Town Counsel Donald Fleming and Planning Board member Lawrence O'Pezio regarding the request of Mr. and Mrs. Purnell Guard of 22 Park Street to grant them all rights necessary for the use of that portion of Railroad Avenue (the former New York, New Haven and Hartford Railroad roadbed) abutting their property on the west side, for its entire length. They intend to subdivide their land to create a lot which would use that portion of the way for access and frontage according to the town zoning by-law.

All Selectmen agreed the matter of ownership of the railroad bed is a complicated one. Counsel Fleming said, "If you're asking about ownership, deeds are spotty. Some go back to the 1890s where part of the land was deeded to the railroad and some left in private ownership." He added "we have about as good an ownership as anyone. It would cost a fortune to prove what we own."

Fleming continued, Mr. Guard has to understand there will always be a question of ownership. "we cannot give him any warranty on the land. He can build but he must get Planning Board approval; he has to prove rights to use the road to get to the property." He advised Guard to hire an attorney to represent him. This is just an easement to Guard and not a public way. Anyone else wanting to build behind that land would have to get his own permission.

O'Pezio said the Planning Board can set it its own rules for approval to Guard. The board must determine if there is in existence a way into the land; the way must be shown

on a sub-division plan and he will have to get a variance.

Town Counsel concluded after viewing past practice he felt that only by town meeting vote can the railroad bed be utilized for this purpose.

AGREED TO NOTIFY Tree Warden Wesley Bowman he has two options regarding the removal of the cedar trees on North Road and Aucoot Road at Harbor Beach. At a previous meeting it was determined by the board and by Safety Officer R. Stanley Ennis that the trees present a visibility hazard.

According to a state by-law living trees cannot be cut down without a public hearing called by the tree warden before the planning board. The other alternative is for the selectmen to declare the situation a public hazard according to the safety officer's opinion and order their removal. The tree warden will decide what action he wishes to take.

MET WITH Ralph Dupont who is protesting the proposed selling of his property on Marina Drive in the Brandt Beach area at auction because taxes have not been paid since 1975. On October 25, 1980 the town took the property for non-payment of taxes. The board has reached a decision to take action on the property and place it up for

auction.

Town Counsel's written opinion is that the board will have to go to town meeting and either have the town meeting authorize a sale directly to the Duponts at a stated price and/or the property should be sold at a public auction.

Dupont informed Selectmen that while he was living in Maine his property was being handled by a broker. He did not name the broker, but said the broker had never notified him

that the taxes were not paid nor that the town had taken the property. Dupont said he would like to get his property back and sought the board's help in seeking ways to accomplish this.

Selectman Huntoon explained it is like any other property the town owns. "We have no authority to convey the property back to you even if you paid the back taxes and penalties. If the town meeting authorizes us to sell there will be either closed bids or a public auction". The board advised Dupont to get legal counsel who can tell him if there is another way, or to just stand in line like anyone else and place a bid for the property.

WERE NOTIFIED by Town Clerk Lois Ennis that Jan Kortright has resigned as secretary to the Board of Appeals. Mrs. Ennis will advertise for a replacement.

RECEIVED LETTERS from Alicia F. Nash and Joan Nash Bell, 94 and 96 Aucoot Road, respectively, that they do not wish to have their property sprayed by truck for gypsy moths. Selectmen will notify John Denham so he can make arrangements with the homeowners.

Selectmen noted the contract is for one year and has to be renegotiated each year. They gave their stamp of approval, as long as Miss Wileczka understands the rules.

Selectmen Chairman John DeCosta noted there were no complaints last year. In fact, he said, it was operated very well, and "we'll be looking forward to seeing it on the wharf again this summer, especially on band concert and square dance nights".

Aging and Dying

At 7:00 p.m. on March 13th and 20th, a three-part series will be held at the Mattapoisett Congregational Church. These discussions are free, non-denominational, are open to all and will be interesting as well as useful. On Thursday, March 13th, Meg Pert will be the speaker. She is affiliated with the St. Luke's Hospital Hospice Program. The focus of her discussion will be on short term and terminally-ill care, Hospice and other alternative programs.

The 20th of March, Christine Mitchell, who is affiliated with Children's Hospital, will show and discuss the film "Code Grey".

These two speakers bring a wide range of expertise with them...so come and listen, ask, learn. These topics will affect us all in one way or another.

a year.

Mr. Judkins' visual comedic repertoire combines characters with mime, juggling, magic, reader's theatre and unicycling. He performs in the tradition of the new Vaudeville and involves spectators in routines that have them clamoring for more. His infectious spirit and comic timing endear him to audiences in the concert hall, gymnasium or out-of-doors.

Whether balancing a top hat on his nose, juggling five balls or dashing across the stage on his unicycle, Randy Judkins makes the ridiculously difficult look ridiculously simple. It is a not-to-be missed performance by one of the best all-around entertainers.

Tickets are $3.00 each and are available at The Toy Box in the Ropewalk, Mattapoisett. Tickets will also be sold at the door.

Please join us as a family on Sunday, March 16th and help support the arts in education.

Some of Meri's accomplishments in Track have been 7.0 in the the 50 Yard Hurdles, which sets a school record and is the area's best, and a High Jump effort at 5' 3¼, also the area's best, and second only to Kerri Normand who holds the mark at 5' 4½. Kerri graduated from ORR two years ago and is attending Fitchburg State College.

Last year, Meri broke the school record in the 100M Hurdles by running 15.5 seconds and thereby beating Debbie Johnson's old

mark of 15.6. With the introduction of the 300M Hurdles two years ago, Meri has held that mark since the first day.

Kris Schatzel, the daughter of Mr. and Mrs. Richard Schatzel of Rochester, is a Junior runner in both the Winter and Spring Track Teams. She is a high academic student who excels in the classroom and on the track. Kris has won many honors for herself and ORR by her performances in the 1000 Yard Run this winter. She recorded the best time in southeastern Massachusetts of 2:45.5, won the Voke-Tech Invitational, and brought home 2 state medals.

Kris was undefeated in her race, holds the school record in the Cross Country Course, and has run a personal best of 2:30 in the 880.

Coach Rodrigues points out that both these girls possess many of the same characteristics and qualities which make them outstanding people, students, and athletes. They have the inner drive and desire to want to succeed and are willing to make personal sacrifices to reach those goals. Both are highly coachable, intelligent, and just plain super people. The banner they have carried across the state for all of us, as a school and community, can only make us feel extremely proud that they

ORR STUDENT QUALIFIES FOR 2nd LEVEL EXAM

The results of the 37th annual American High School Mathematics Examination (AHSME) are in and for the first time in the history of Old Rochester Regional High School a student has qualified for the second level exam.

Erik Morris, a junior at ORR and a resident of Rochester, has been invited to take the American Invitational Mathematics Examination (AIME) on March 18, 1986. In qualifying, Erik was required to obtain a minimum score of 100 on the first level exam which was a 90 minute, 30 question contest. It is expected that less than 1% of the 400,000 students who take the AHSME will be invited to the AIME which is a 15-question, 3 hour, short-answer examination. The top scoring students on the AIME will then be invited to take the USA MATHEMATICAL OLYMPIAD on April 22.

Erik has been an Honors students (not only in mathematics) at ORR since his freshman year and is currently enrolled in AP Calculus. He has been a member of the Math Team since ninth grade and last year as a sophomore was named to the SMC Math League All Star Team. Taking the College Board's Level II Mathematics Exam as a sophomore, Erik had a perfect score of 800. Erik is currently co-captain of the ORR Math Team and plans to take advanced calculus at Brown or SMU next year while still a senior at ORR.

According to Mr. Cameron, Math Team advisor and Erik's teacher for the past four years, "Erik is one of the very best stu-

dents I have ever had -- and I've had the privilege of having several. Erik was a standout when I first encountered him at the Junior High in the Algebra I program. We accelerated him in grade nine with two courses in geometry and algebra II, mathematical analysis in the tenth grade and now AP Calculus. Erik's success comes from an excellent mathematical intuition and insight coupled with a desire and determination rarely found in the typical high school student. The support which he finds at home from his mother and father has also been invaluable in his progress. Erik's two sisters, Jennifer and Tammy, are both excellent students and I expect similar successes from them in later years. The faculty and staff at ORR congratulate Erik on his accomplishments and wish him well on the second level exam."

ride," you are throwing your responsibilities on other children or other parents.

I, for one, do not like the idea of my child, who has a car from necessity, loading the car with students who have no way to get home. I also don't think it fair for several kids to ask me for rides so that my car is overcrowded at night. But what is one to do when there are a half dozen kids begging for a ride, their reason, "My parents aren't home". A father made two trips around town and back to the high school one night because he was so upset to see 15 year old girls waiting in the rain.

There are parents who never drive their own kids or anyone else's if they can avoid it. One famous excuse is, "Our cars are too small".

One wonders how such parents would feel if their child didn't arrive home. Whom would they blame? The school? Other parents? Or some kid who couldn't give their child a ride?

Mattapoisett Election

Although it is not one of the major offices in the April 1 election in Mattapoisett, changes in the Constable race have resulted in the most action. The most recent change is the dropping out by Wayne R. Vieira for one of the two slots open for Constable. Vieira is withdrawing due to the time needed for his new job.

Richard W. Swift is opposing incumbent Constables William O. Simpson and R. Stanley Ennis.

ORR Chess

The ORR Chess Team defeated New Bedford High in the first round of the "best two-out-of-three" league playoffs by a score of 3-2. The match was the closest in the past two years for the ORR team. " With a two week layoff the players were a bit rusty and tentative in their play", said Mr. Cameron, Chess Team advisor for ORR.

"The players were too overconfident, but it was good for them. I wouldn't want to be a New Bedford chess player at the next match -- our kids are planning a shutout --- and they can do it with some more concentration on their middle games. We're gearing up for defense of our state title on March 23rd at Sudbury and New Bedford won't hold us back."

The first of three concerts will feature the internationally-known "Blue Horizon Jazz Band" under the leadership of Stan McDonald. The public is invited and there is no admission charge. Doors at 396 County Street, New Bedford will open at 7:30 p.m.

The "Blue Horizon Jazz Band" reveals a traditional jazz identity in the true spirit of masters such as Sidney Bechet, Louis Armstrong, Scott Joplin, and Jelly Roll Morton. Stan McDonald achieved national and international recognition during the 70s as the "New Black Eagle Jazz Band"'s most impressive member which included a decade of outstanding performances, recordings and tours from Norway to California and earned him the distinction of world class reedman and spiritual heir of the peerless Sidney Bechet.

The "Blue Horizon Jazz Band" is a group of veteran jazzmen who first collaborated in the 1950s when McDonald's "New Orleans Jazz Doctors" toured the New England fraternity circuit. Reunited with McDonald, Walter Miller (trumpet) and Fred Walsh (trombone) share the distinction of re-dedicating the outstanding front line that flourished in the 1960s, as that of the Historic Jazz Band - the first group to revive the classic jazz tradition in the Boston area.

Whaling Museum

COME SEE MR. FASANELLA'S PAINTINGS

In March, the New Bedford Whaling Museum will host the exhibit, "URBAN VISIONS: THE PAINTINGS OF RALPH FASANELLA". Organized by the Herbert F. Johnson Museum of Art at Cornell University and currently on a national tour, URBAN VISIONS is on view at the Whaling Museum through May 5th. The Museum will be open free on Wednesdays from 1 to 5 p.m.

Using the setting of city streets and New York neighborhoods that formed the background of his life, Ralph Fasanella celebrates in bold and vivid paintings various aspects of urban living, from baseball games to political struggles to everyday working class activities. Fasanella's long commitment to the American labor movement has found expression in powerful canvases, including the famous series depicting the Bread and Roses Textile Strike of 1912.

We hope you will come to see Mr. Fasanella's festive blues, flaming reds and somber grays. The Whaling Museum hosts the only New England showing of the exhibit, which has opened to public acclaim at Cornell and in Albany.

Free Wednesday afternoons in March are made possible with a generous grant from the Claremont Management Company, Inc..

FISH & QUIPS

1 A marinade is an acidic sauce, which in outdoor cooking can be used to add flavor and keep the fish moist while it is cooking. The most common type of marinade is a mixture of wine and herbs.

2 Other coatings to baste a fish with can be simply butter or mayonnaise. Swordfish, shark and tuna are particularly delicious when basted with mayonnaise alone.

3 Measure the thickness of the fish to calculate an accurate cooking time. Measure the thickest part of the fish, and the rule of thumb is to allow 10 minutes per inch of fish.

The Dream Team will tip off with six members of the New England Patriots 1986 Super Bowl team, starring Fred Marion and Robert Weathers plus the other stars.

The celebrity game is being sponsored by Silverstein's Inc and J.G. Hodgson & Company, Inc. as a benefit for the New Bedford Glass Museum.

Tickets, priced at $3.00 for students and $5.00 for adults, are available at the Glass Museum, 50 North Second Street in New Bedford's waterfront historic district or through the players. Patriot players will be available after the second period during an intermission of one-half an hour for autographs and photo-picture taking with the viewing public.

"Spectators who come to see this game", states Dream Team Captain Mayor John Bullard, "are not only supporting a very worthwhile cause, but I think will see a very interesting game. I'm not sure we'll carry basketball to new heights," continued Bullard, known to be a reluctant jumper, "but I know we'll carry it to new places. Meanwhile, I'm busy preparing for the game, and hope I'll be in shape to read about the results the next day."

feature Mozart's Clarinet Concerto with guest soloist Daniel McKelway.

Called the Budweiser Irish Pops Concert, the performance is being sponsored by L. Knife & Son, Inc. of Kingston, a distributor of Budweiser beer and other Anheuser-Busch products. McKelway's appearance with the Philharmonic is funded in part by a grant from New England Telephone through the Massachusetts Council on the Arts and Humanities and the New England Foundation for the Arts.

The Budweiser Irish Pops Concert will include several festive pieces based on traditional Irish folk music - "O'Donnell Aboo" March by Paul deVille, Mascarade Suite by Air Arthur Sullivan and Irish Suite by Leroy Anderson.

The "O'Donnell Aboo" March and Irish Suite will be familiar to the audiences noted Rudolf Schlegel, Music Director of the Philharmonic. The works were standards of the Boston Pops when Arthur Fiedler was director but haven't been performed in several years. In fact, the latter piece was commissioned by the Eire Society of Boston in 1947 specifically for the Boston Pops.

Tickets for this concert are $7., $8. and $9. (half price for seniors, students and children) and are available at the Ruddy Duck in Duxbury, The Snow Goose Shop in Plymouth, Notes & Quotes in Kingston, and Don Ryan Music Co. in Norwell. Tickets may also be obtained by calling the Plymouth Philharmonic office at 746-8008.

Here's how Chiropractic treats Overweight

Few people realize that there is a relationship between disturbed metabolism and overweight. The doctor of chiropractic applies his procedure to achieve balanced functioning of the organs of the body.

Doctors of chiropractic also know that balanced nutrition is one of the most important elements necessary to losing weight in a safe and stable manner. Likewise, it is important to the functional health and recuperative ability of the body.

That is why the doctor of chiropractic utilizes dietary management as part of his/her regular health care procedure. If weight loss is desirable, it will be recommended, based on a program which avoids shock to your system.

with United States material predominating but also featuring foreign stamps and covers, box lots and collections, will start at 8:30 a.m.

The exhibition will include a 12-dealer bourse and a U.S. Postal Service station where recent U.S. stamps will be available at face value.

The cacheted cover produced for this year's show will feature a full-color photograph of the model whaleship Lagoda, a star attraction at the Whaling Museum and believed to be the largest ship model in the world.

Those unable to attend the show may order the cacheted covers by mail at a cost of $1. each or four for $3.50. Send orders to the SEAPEX Committee, P.O. Box G-577, New Bedford, MA. 02742. Include a stamped, self-addressed envelop for return. The special pictorial cancellation for the SEAPEX Station will feature a harpoon.

Some cacheted covers -- all with a whaling theme -- issued for prior exhibitions are also available at $1. each. Orders may be placed for them at the same time.

Heritage Month

During the month of February, the foods classes at ORR enjoyed the celebration of Heritage Month.

By class vote, the ethnic presentations were French, Italian and Portuguese. Home-made flags and food vocabulary decorations in the room added to the "flavor" of the festivities. Omelets, quiche, cream puffs, bread sticks, spaghetti, pizza, kale soup, and malasadas were prepared and served.

The experience and pleasure derived from the classes certainly enhanced an appreciation of the cultural backgrounds of the students.

UNCLAIMED MONEY

STATE TREASURER CRANE SEEKS
TO RETURN $13 MILLION IN UNCLAIMED FUNDS

State Treasurer Robert Q. Crane has released the names of 26,000 Massachusetts businesses and individuals who are due a $13 million windfall from abandoned accounts.

Under the state's Unclaimed Money Law, bank accounts, insurance proceeds, uncashed gift certificates, payroll checks, customer overpayments and the like that have gone untouched for at least five years are considered by the state to be abandoned. All such accounts must be reported to the Treasurer, who then attempts to notify the rightful owners or their heirs.

Crane said compliance with the law is improving. "However, there are still numerous instances where funds should have been returned directly such as in the case of Boston Edison Company, General Electric, the New England Patriots and United Airlines", the Treasurer said.

Treasurer Crane noted one important aspect of the Unclaimed Money Law requires that until claimed, all funds are kept in the state's General Fund where they are invested for the benefit of all residents and taxpayers here in Massachusetts.

Unclaimed money owners in this area are: Balfour, Tyndall S.; Balfour, Helen J.; Clarke, Kenneth D., Jr.; Clarke, Nancy A.; Embree, Jeanne; Fletcher, Nancy J.; Foley, Charles J.; Foley, Elizabeth A.; Gida Babra; Kennedy, Veronica, TR., Kennedy, Sarah G.; Lopes, Benjamin A.; MacGregory, John; Murphy, Deanne; N. Rochester Cemetery, c/o Town Treasurer; Pierce, Alice M.; Rogers, Frank M., Jr.; Silva, Constantino; Silva, Tara L.; Smarowski, David S.; Kirby, Mary; Smith, Gerald T.; Smith, Natalie A.; Student Intl. SVC Foundation; Tenbrook, Everett; Torman, Sheldon; Torman, Kayne.
